

# Spirit of the Dog

## Rehabilitation Fund

**In conjunction with Karma Dog Training School**

**JUNE 2007.**

### **NEWSLETTER.**

**Welcome to the first newsletter. The Spirit of the Dog Fund is alive and doing well. Considering it was only launched in May this year, the response has been overwhelming. At the time of writing the funds are over £600.00.**

**Jane and Claudine would like to thank Mal for her motivation and encouragement, also for the car boot sales she has done. Jean Chapman has also given up her Sunday mornings to help sell items at the car boot sales and is doing a great job selling the raffle tickets.**

**The support from the members of the training school has also been fantastic and a big thank you to all of you for buying the raffle tickets, giving donations and bringing items for us to sell.**

**We have been supported by members of the public and have promises of more help in the future by way of items to sell. Plus a garden open day (details to follow as soon as available).**

**Jane is still waiting to see if we can have a feature in 'Dogs Today' magazine.**

**Mal has the quiz night questions ready and a date will be set for an evening September.**

**We are still going to plan a coffee morning as soon as possible with guest speaker, Pam and Cane her guide dog.**

**Jane is getting picnic blankets embroidered with the Spirit Logo so that we can sell these at the 15<sup>th</sup> July Great Oakley Dog Show.**
